DIGITAL AUDIT REPORT · APRIL 2026

The Creek Group

What your digital presence is costing you
— and what it could do instead.

CONFIDENTIAL · PREPARED FOR OWNERSHIP

BACKGROUND

20 years of Houston credibility.

2002

Founded in
Houston Heights

6

Venues across
Houston + Galveston

3,000+

Combined
reviews online

The origin story — friends tubing the Guadalupe River, cold beers, Texas heat — is a genuinely compelling brand asset. The gap: the digital experience doesn't yet match the in-person one.

Five things costing you customers right now.

Slow Load Speed

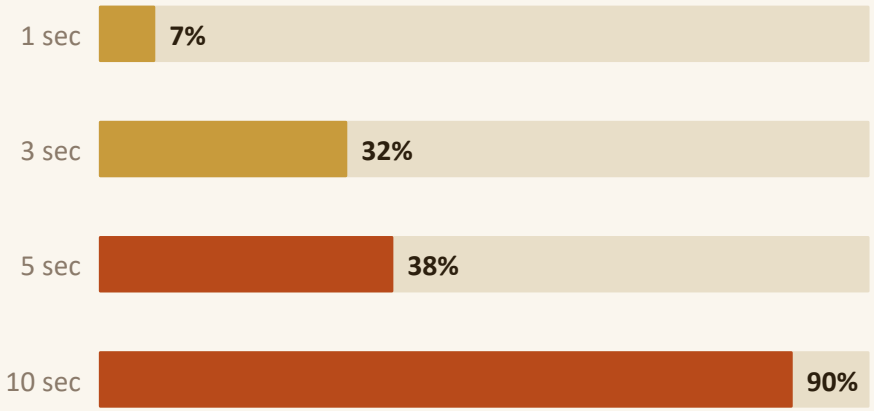
OPPORTUNITY

FINDING 1 · CRITICAL

Customers leave before the menu even loads.

Bounce Rate Probability by Load Time



Source: Google / Huckabuy Page Speed Research

53%

of mobile visitors leave if a page takes more than 3 seconds

THE FIX

- Compress & lazy-load images
- Add a CDN
- Remove render-blocking scripts

Effort: LOW

FINDING 2 · CRITICAL

Google can't find your Private Events page.

The Creek Group — ?? NOT APPEARING
thecreekgroup.com

Competitor Eight Row Flint (same neighborhood) has a prominent "Book an Event" button above the fold.

THE COST

People searching for private event venues are finding competitors every single month.

THE FIX

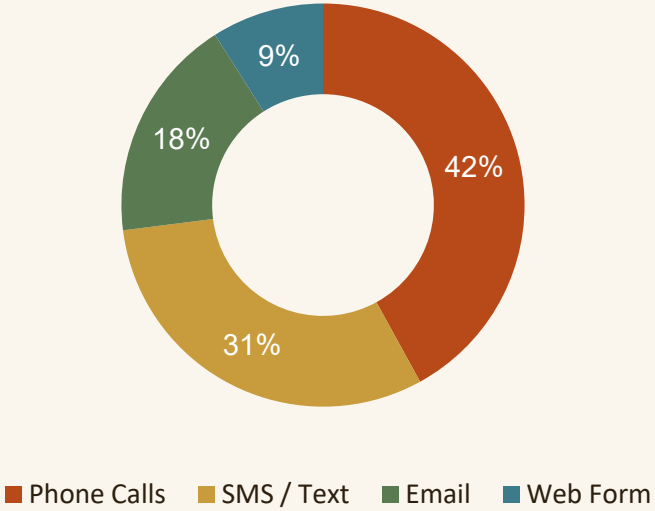
Add schema markup to events pages

Optimize meta descriptions

Update Google Business Profiles for all 6 venues

FINDING 3 · CRITICAL

You are ignoring ~30% of your calls.



31% of inbound contact arrives as SMS — currently unanswered

THE FIX

Enable SMS on all 6 venue lines

Set up text-back auto-response

Train staff on inbound text protocol

Effort: MEDIUM · ROI: IMMEDIATE

The competition is already doing it.

Priority Action Plan

Where to start — and in what order.

01	Image optimization + lazy loading	0–30 days	LOW
02	Schema markup on events/booking pages	0–30 days	LOW
03	Enable SMS on all venue phone lines	0–30 days	MEDIUM
04	Move origin story above the fold	30–90 days	LOW
05	Optimize all 6 Google Business Profiles	30–90 days	LOW
06	Build unified Creek Group hub + gift cards	90+ days	HIGH

The foundation is already there.

20+ years of credibility. Six venues people actually love. A genuinely great origin story. The highest-return moves aren't about reinvention — they're about tightening what's already there.
